If you would like to go, please contact Norman on 015242 73582 or email philbey53@gmail.com a.s.a.p. as tickets went on sale last week. I am estimating a cost of £75 for ticket and travel.

Chairman for a locally run UK registered Overseas Charity

Do you have a heart for poor people? A charity supporting a Christian Orphanage in India is in need of a new Chairman. You would work with a team of seven enthusiastic Trustees, who all sponsor children in the Orphanage. The children are taught to speak English and are all raised as Christians.

The future of **The Lunesdale Hall** is the subject of a major feasibility study. A number of proposals have now been drawn up and will be the subject of a public consultation on July 24. The consultation will be in The Lunesdale Hall itself, with those responsible for the proposals being there to answer questions and take your views. They'll be there between 3pm and 7pm. Please go along and have your say about the future of this important asset.

The Rectory - We have been looking at the possible options for the Rector's accommodation and also for the Rectory. In that work we think that it may be appropriate to consider this in conjunction with the wider potential for developing St Mary's. The need to reroof the church provides us an opportunity for a bigger plan which could improve how the building serves not just our church members but also the local and wider community including the many visitors to the town who come through our doors. There is no specific urgency in addressing the Rector's accommodation. It is expected that this will be considered over the coming months.
